

Analysis of an action film proposal for Metro Goldwyn Mayer

By: Kimberley, Luca, Bence, Lorenzo

Action Movies of Metro Goldwyn Mayer

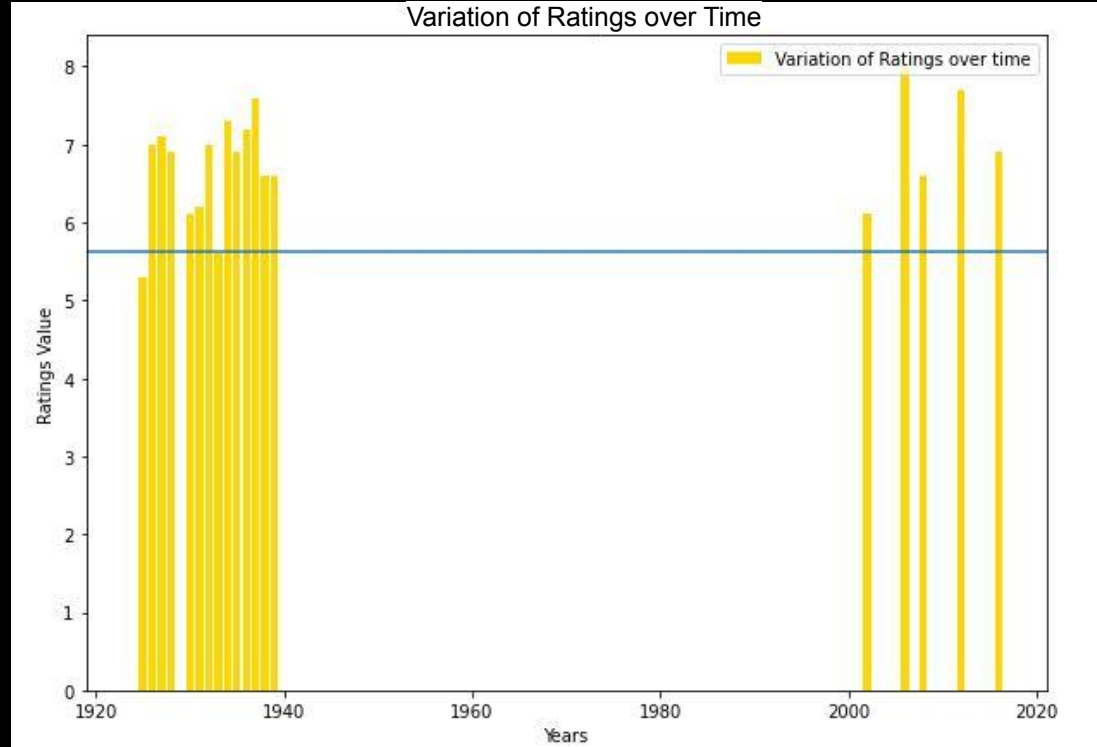

From our research by extrapolating the data from IMDB database, we saw that MGM produced 44 actions movies.

We can notice from the graph that MGM did not produce action movies after 1939, probably because of 2nd World War, till the early 2000s. So from that we can deduct that MGM doesn't have so much experience on producing action movies. But to be sure of that, we must have a look to the ratings given by the public

Ratings of MGM Action movies over time

As we can see from the graph the mean rating is 5.62 (blue line), which is a quite low score but based in a small number of films, we can try to figure out the issues.
